EEO/AA Employer

Hello Directors,

Again this year, the West Virginia Division of Culture and History will host a Miss Majorette competition at the West Virginia Marching Band Invitational, Saturday, October 21, at the University of Charleston's Laidley Field.

Each band is permitted to have three (3) applicants participate for Miss Majorette. The Miss Majorette Competition will take place during the evening intermission. If your band performs after this time your applicants are still eligible to compete and must be at the field by the time we start the Miss Majorette event.

Each contestant will be issued a number and that will be how they are identified. Contestants will do three different poses and be judged in three captions: Artistry, Costume and Posing.

The scores of each of the three are combined to determine the overall winner.

Please fill out the application(s), and return them by September 30, 2107, to:

by Mail:

John Morrison
