WEST VIRGINIA STATE HISTORIC PRESERVATION OFFICE
FY 2020 ANNUAL WORK PROGRAM
FOR ACTIVITIES FROM OCTOBER 1, 2019
THROUGH SEPTEMBER 30, 2020

The West Virginia State Historic Preservation Office mission is:

To encourage, inform, support, and participate in the efforts of the people of West Virginia to identify, recognize, preserve, and protect West Virginia’s prehistoric and historic structures, objects, sites and landscapes.

PROGRAM OVERVIEW:
The West Virginia State Historic Preservation Office encounters challenges yet achieves successes as it completes its mission. The revised statewide historic preservation comprehensive plan (plan) identified the following goals: education, awareness, identification, community and economic development and stewardship. To address the objectives of the existing plan and move toward the implementation of the revised plan in 2019, the SHPO will continue to survey and nominate historic resources for listing in the National Register; staff will work with property owners on development grant and tax credit projects; staff will consult with federal and state agencies regarding assisted undertakings; staff will work with historic landmark commissions and other organizations or individuals to improve local preservation efforts and will provide educational resources for the public. The office will continue to develop the webGIS site to enhance the ability to access historic resource information.

The following details the proposed activities for FY 2020 which will address goals and objectives of the plan and meet the NPS grants manual requirements.
MAJOR TASKS

Depending on availability of funding and staff responsibilities, the Office will undertake the tasks described below in FY2020. These tasks correspond to Goal Objectives described in the 2020-2024 Statewide Comprehensive Historic Preservation Plan, as indicated parenthetically.

CERTIFIED LOCAL GOVERNMENT
1. Staff will complete performance evaluations on at least 25% of all CLGs and work with noncomplying programs to improve them within a given time period. [1.1, 1.5, 5.1]
2. Staff will educate the public regarding activities of the CLG program. [1.1, 1.5, 2.2, 4.3, 5.1]
3. The office will advise local governments regarding the creation and adoption of local historic preservation protective mechanisms. [4.4, 4.5, 5.1, 5.7]
4. Staff will recommend opportunities for CLG members to attend trainings developed or approved by SHPO. [1.1, 1.5, 1.4, 2.2]

DEVELOPMENT, ACQUISITION AND COVENANTS
1. The office will administer approximately $400,000 in state historic preservation grants for restoration, rehabilitation, stabilization, and archaeological investigation, which will be awarded according to the priorities of the program description. The applications will be reviewed by an outside professional panel to recommend funding for approval by the WV Archives and History Commission. [4.3]
2. The office will continue to monitor active covenants and easements through correspondence and site visits by staff and/or a consultant hired by SHPO. [4.5]

NATIONAL REGISTER
1. Staff will provide technical assistance to interested parties regarding National Register nominations. [3.1]
2. Staff will provide training through public workshops and/or informal meetings as requested to educate interested parties, including the members of the WV Archives and History Commission (State Review Board) on the National Register program. [1.5, 3.1]
3. Staff will process nominations according to 36 CFR 60. [3.1]
4. Staff will identify and evaluate resources for National Register eligibility. [3.1]
PLANNING

1. Staff will provide assistance and support, as requested, to organizations and government entities in historic preservation planning activities such as easements. [Obj 5.1]

2. Staff will assist in development of planning studies and historic contexts as necessary. [Obj. 3.3]

3. Office will develop, purchase, adapt or implement advanced digital methods to assist in preservation efforts such as mobile applications for survey and education. [Obj. 2.2, 2.5]

4. Staff will provide assistance in developing or revising local ordinances, regulations, standards or guidelines. [Obj. 5.1]

REVIEW AND COMPLIANCE

1. Staff will continue to conduct reviews. Approximately 1,500 state and federal reviews will be completed. [Obj 5.6]

2. Staff will continue to work with state and federal agencies to develop memoranda of agreement and programmatic agreements as necessary. [Obj 5.6]

3. Staff will continue to work with the agency officials, their representatives, applicants and the interested public to promote cooperation and understanding with regard to the review and compliance process and to West Virginia’s historic resources. [Obj 2.2, 5.6]

SUBGRANT ADMINISTRATION

1. A grant panel of 3-4 outside professional members will review and make recommendations for survey and planning funding according to established criteria. The priorities of the program descriptions will be used to select projects in each subgrant program. [Obj 4.3]

2. Subgrant orientation meetings will be held for all grant recipients to explain requirements, contract provisions, and finalize scopes of work. [Obj 1.1, 2.2, 2.4]

3. Staff will monitor individually assigned projects to oversee completion. [Obj 1.1, 2.2, 2.4]

SURVEY

1. Staff will provide technical assistance and work with interested parties, including CLGs, as they undertake survey efforts. [3.1]

2. Staff will continue survey efforts around the state. These efforts may focus on counties that are underrepresented in the existing inventory as well as communities and resource types. [3.1]

3. Staff will attend public workshops and/or informal meetings as requested to educate interested parties on the Survey program [1.5]

4. Staff will continue to digitize and provide public access to state survey materials, by utilizing GIS and other advanced techniques. [2.2, 2.4]

5. Staff will update survey manual to ensure more consistent survey results for all interested parties [2.2, 2.4]
TAX

1. Staff will continue to promote the tax credit program through speaking engagements and informal meetings with all interested groups and individuals. [1.1, 1.2, 1.3, 1.4, 1.5, 2.2, 2.4, 4.1, 4.2, 4.3, 5.3]

2. Staff will review Historic Rehabilitation Certification Applications received under the state and federal tax credit programs. [Obj 4.4]

3. Staff will offer print and web-based education on the availability and methods of applying for Historic Rehabilitation state and federal tax credit programs. [1.1, 1.2, 1.3, 1.4]

OTHER

1. Staff will provide educational programs, training, and information on historic preservation issues. [1.1, 1.2, 1.3, 1.4]

2. Staff will provide technical assistance to the Capitol Building Commission which is chaired by the state Historic Preservation Officer. [1.1]

3. Staff will develop events, publications, and web resources to promote and educate regarding historic resources and historic preservation efforts. [1.1, 1.2, 1.3, 1.4, 2.2, 2.3, 2.4, 2.5]

4. Staff will be responsible for state mandated activities such as the archaeological excavation permit process. [Obj 5.6]

5. Staff will respond to inquiries regarding the identification and protection of cemeteries. [3.1, 4.5]

6. The office will offer a grant scholarship program intended to financially assist individuals in attending national and state level preservation conferences and workshops, if funding is available. [Obj 1.5]

7. The office will continue efforts to update and maintain its GIS. The updates will be provided to the WV GIS Technical Center and made available to the public via WebGIS application. [Obj 2.2, 2.4]
FY2018 Subgrant Funding Guidelines
October 1, 2019 - September 30, 2020

Federal Survey and Planning Grant funding may be carried over through September 30, 2020.

Funding will be distributed among the individual grant programs based upon goals and objectives set forth in the statewide comprehensive historic preservation plan. Survey and National Register grant applications will be given priority consideration. At least 10% of the state's annual allocation will be awarded to active Certified Local Governments.

Certified Local Governments will be required to provide a 30% match; if non CLG organizations are awarded, they will be required to provide a 40% match.

Staff reserves the right to apply up to approximately but no more than 10% of the development grant annual funding to the endangered property fund. Staff also reserves the right to apply up to but no more than 10% of the development grant annual funding to the cemetery grant program should sufficient funds be allocated.
ARCHEOLOGICAL DEVELOPMENT GRANT CRITERIA FOR EVALUATION

Applicant must complete the application addressing the following:

1. **Funding Priority** - What is the priority of the requested project (using program description)
   - Projects whose objectives involve the protection, stabilization, or preservation of an archaeological resource in danger from such land altering activities as development or erosion.
   - Projects whose objectives involve the protection and preservation of archaeological resources in danger of destruction from unauthorized excavation or looting.

2. **Historical significance** - Details on National Register status
   - Is the property a National Historic Landmark?
   - Is the property listed in the National Register of Historic Places?

3. **Application** - How well does the application present this project?
   - Is the application well prepared, clear and provide the required material for review?
   - Does it provide the necessary information to understand the project?
   - Did the applicant submit relevant and/or useful support documentation?
   - Is the proposed work adequately described? Is the budget clear and complete?
   - Do the photographs sufficiently illustrate the character of the property and demonstrate the project need?
   - Does the application address future financial support to maintain and provide detail regarding ongoing and future care of the property?
   - Does the applicant demonstrate the ability to pay all invoices upfront prior to reimbursement?
   - Has the applicant previously completed a grant successfully?

4. **Project** - How will this project preserve/protect the cultural resource?
   - Does the estimate give enough information to determine the cost of project and grant award?
   - Will the project result in the protection of the resource?
   - Is the proposed budget adequate to accomplish the project?
   - Does the description demonstrate adequate understanding of the scope of work?

5. **Community support and benefit** - How will this project benefit the community?
   - Is there community support for preserving the resource?
   - Does the resource represent a significant aspect of the community’s history?
   - Do the letters of support and additional material indicate the organization and resource provide a benefit to the community?
   - Is there community/regional cooperation in preserving and protecting this resource?
DEVELOPMENT GRANT ALLOWABLE ACTIVITIES

GRANT PROGRAM PURPOSES: To assist organizations and individuals in the protection, rehabilitation, restoration, stabilization of resources listed in the National Register of Historic Register.

ALLOWABLE ACTIVITIES

PRESERVATION: The act or process of applying measures necessary to sustain the existing form, integrity, and materials of an historic resource; work, including measures to protect and stabilize the property; applying measures to sustain the existing form, context, integrity and materials of a resource.

PROTECTION: Applying measures designed to affect the physical condition by defending or guarding it from deterioration, loss or attack, or to cover or shield the site from danger or injury. This is usually of a temporary nature, and anticipates future preservation treatment.

REHABILITATION: The act or process of making possible a compatible use for a property through repair, alterations while preserving those portions or features which convey its historical, cultural, and architectural values.

RESTORATION: The act or process of accurately depicting the form, features, and character of a property as it appeared at a particular period of time by means of the removal of features from other periods in its history and reconstruction of missing features from the restoration period. The limited and sensitive upgrading of mechanical, electrical, and plumbing systems and other code-related work to make properties functional is appropriate within a restoration project.

STABILIZATION: Applying measures designed to reestablish the physical stability of a deteriorated historic resource while maintaining the essential context and integrity as it exists at present.
DEVELOPMENT GRANT
CRITERIA FOR EVALUATION

Applicant must complete the application addressing the following:

1. **Funding Priority** - What is the priority of the requested project (using program description)
   - Work required to give the building a weather proof envelope and make it structurally sound, or will abate any serious threat to the structure whether from internal or external sources. Examples - Roof replacement, gutter/downspout replacement/repair, replace hazardous wiring, foundation work or repairing of structural members
   - Rehabilitation of exterior features particularly those which will offer protection from deterioration typically caused by natural elements. Examples - Window repair or replacement if deemed necessary, major repointing, exterior painting required to protect exposed wood that has been neglected (by other than the applicant).
   - Rehabilitation of exterior features which are not necessarily required for stabilization or protection from natural elements
   - Restoration of character-defining interior features
   - Work necessary to facilitate putting the building to an appropriate use, including meeting all codes and accessibility standards.

2. **Architectural/historical significance** - Details on National Register status
   - Is the property a National Historic Landmark?
   - Is the property listed in the National Register of Historic Places?
   - Is the property an outbuilding?

3. **Application** - How well does the application present this project?
   - Is the application well prepared, clear and provide the required material for review?
   - Does it provide the necessary information to understand the project?
   - Did the applicant submit relevant and/or useful support documentation?
   - Is the proposed work adequately described? Is the budget clear and complete?
   - Do the photographs sufficiently illustrate the character of the property and demonstrate the project need?
   - Does the application address future financial support to maintain and provide detail regarding previous, ongoing and future care of the property?
   - Does the applicant demonstrate the ability to pay total project costs upfront prior to reimbursement?
   - Has the applicant previously completed a grant successfully?

4. **Project** - How will this project preserve the cultural resource and/or enhance its use?
   - Does the estimate give enough information to determine the cost of project and grant award?
   - Will the project result in the protection and enhancement of significant character defining features of the resource?
   - Is the proposed budget adequate to accomplish the project?
   - Does the description demonstrate adequate understanding of the necessary repairs?

5. **Community support and benefit** - How will this project benefit the community?
   - Is there community support for preserving and protecting the property?
   - Does the building represent a significant aspect of the community’s history?
   - Do the letters of support and additional material indicate the organization and property provide a benefit to the community?

6. **Administration** - How was the past performance of the applicant?
   - Did the project begin promptly after the start date?
   - Were there delays in progress without good reasons?
   - Did the applicant ask for more than one extension?
DEVELOPMENT GRANT PROGRAM GUIDELINES

FUNDING SOURCE: West Virginia Special Revenue

AUTHORITY: Chapter 29, Article 1, Section 1 and Section 5 of the Code of West Virginia, The National Historic Preservation Act of 1966, as amended (16 USC 470).

GUIDELINES/REGULATIONS: All projects must comply with (1) All applicable Secretary of the Interior's Standards; (2) Labor standards and, when applicable, the prevailing wage rates as established by the West Virginia Department of Labor and Assurances-Construction Programs as listed on Standard Form 424D; (3) Civil Rights Act of 1964 as amended by Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act; West Virginia competitive bidding and purchasing requirements; and 18 USC 1913 regarding the use of federal funds for lobbying activities.

ELIGIBLE APPLICANTS: Applicant may be a state or local government agency, not-for-profit organization, private citizen, for-profit firm or organization, education institution or Certified Local Governments. In addition, the applicant or project sponsor must:

- own the property
  OR
- have a long-term lease and have written permission from the owner to conduct the work;
  OR
- have a commitment with the owner to purchase the property and provide a deed by May 15th
  AND
- must demonstrate the ability to successfully implement the project.

PROPERTY ELIGIBILITY:
1. The property must be individually listed in the National Register of Historic Places or be a contributing structure in a National Register Historic District.
2. Buildings used for governmental purposes only and not open to the public are not eligible.
3. We reserve the right not to recommend funding for projects that have received grants for two consecutive years or have received more than $50,000 in the last three years.

APPLICATION PROCEDURES

Applications are available at www.wvculture.org/shpo or by contacting the Historic Preservation Office at:

Division of Culture & History
The Culture Center
1900 Kanawha Blvd., E.
Charleston, WV 25305
304/558-0220 Ext. 720

DEADLINE: Postmarked by March 31st or published deadline.

Applicants must submit one (1) signed original and four (4) copies of the grant application and all attachments to the above address. Do not submit applications in binders or spiral bound books.

SELECTION PROCESS

Historic Preservation office staff reviews applications for completeness and eligibility and forwards projects to an outside grant panel for review. Staff compiles a listing of projects reviewed by the panel according to the criteria for evaluation. The recommendations of the panel are sent to the Archives and History Commission. This may result in partial funding of some projects.
ENDANGERED PROPERTIES FUND GUIDELINES

GRANT PURPOSE: To provide emergency funding for the preservation of threatened and endangered historic resources which are listed in the National Register of Historic Places.

Stabilization: Applying measures designed to reestablish the weather resistant enclosure and the structural stability of an unsafe or deteriorated property while maintaining the essential form as it exists at present.

Protection: Applying measure designed to affect the physical condition by defending or guarding it from deterioration, loss or attack, or to cover or shield the property from danger or injury. This is usually of a temporary nature, and anticipates future preservation treatment.

To apply for an Endangered Properties Fund Grant: Send letters of request to the State Historic Preservation Office including the following information:

1. A complete description of the project.
2. The nature of the emergency and evidence that the property will face immediate destruction or irreversible damage without assistance. (Examples of an emergency are fire, natural disaster or recent circumstances beyond control of owner.)
3. Proof of ownership.
4. A letter of support from the property owner, if the owner is not the project sponsor.
5. Evidence that this project would provide a solution to the situation.
6. A request for funds (a specific amount).

Staff will review application for eligibility and Deputy SHPO will make recommendation for funding to State Historic Preservation Officer for his/her approval or denial when funds are available.

Endangered Properties Grants will follow the same conditions and requirements as the State Development Grant projects.

Staff will submit a complete report to the Archives and History Commission of all grant requests and funding decisions at each meeting.

GRANT CONDITIONS

• Submission of deed to the property and a letter of support from the property owner if owner is not project sponsor.
• Verification of flood plain status or of flood insurance.
• Signing of a contract for the project with the State of West Virginia.
• Signing of a covenant on the property insuring its maintenance and historic integrity and if interior work is funded, agreeing to open the property to the public on a limited basis.
• Use of competitive procedures for procurement.
• Submission of specifications and contracts to the State Historic Preservation Officer for approval before beginning work and before making any changes in the course of the work.
• Erection of a sign during the project period indicating that the project was partially funded by the Historic Preservation Office of the West Virginia Division of Culture and History and the National Park Service.
• Inspection and approval of work by the State Historic Preservation Office.
• Maintenance of proper financial records and submission of documentation (invoices and canceled checks) for reimbursement.
• Submission of progress reports to State Historic Preservation Office.
• Additional photographs of existing conditions and of the completed work.
• A final project report including a complete identification of the work done, cost and resources used.
• Submission of written permission of right of entry.

The grant recipient must submit reports as required.

BEGINNING DATE: Upon completion of contract with SHPO
ENDING DATE: One year from date of contract

All grant expenditures and match resources must be expended for services and/or materials used for the approved project during the project period.
Cultural Resource Surveys: To identify and evaluate properties in an area or by theme to determine whether they may be eligible for listing in the National Register of Historic Places.

Architectural/Historical Surveys: A reconnaissance or intensive level architecture/history survey of a designated study area or theme to locate resources that may be of historic significance. The survey must be completed in accordance with the Secretary of the Interior’s Standards and the WV State Historic Preservation Office Survey Manual and will include the completion of a West Virginia Historic Property Inventory Form for each documented property as well as a survey report that documents objectives, provides a description and history of the survey area, contains a bibliography, and makes recommendations for further work.

Archaeological Survey: Reconnaissance survey consists of a complete and systematic inspection of a designated study area to locate prehistoric and historic archaeological sites. It involves the investigation of both surface and subsurface contexts. Intensive survey consists of conducting limited archaeological excavation and archival research in order to determine whether a site is eligible for inclusion in the National Register of Historic Places. A research design must be submitted and approved prior to the initiation of field work. The research design must identify the qualified archaeologist who will supervise field work and laboratory analysis of any cultural materials recovered from the site. The field work must be conducted and a final report must be prepared in accordance with Guidelines for Phase I, II, and III Archaeological Investigations and Technical Reports (WVSHPO 2001). An archaeological site form must be completed for each site identified. All collected artifacts must be curated in accordance with the West Virginia State Historic Preservation Office Curatorial Guidelines and/or 36CFR79: Curation of Federally-owned and administered Archaeological Collections.

National Register: To assist organizations and individuals in preparing National Register Registration Forms for eligible individual properties and/or historic districts, and/or completing the National Register of Historic Places Multiple Property Documentation Form. Also, to prepare Registration Forms for a determination of eligibility when there is a majority property owner objection. For a district nomination, an architectural and history survey must have been previously conducted in the project area and the area has been previously determined eligible for listing. For an individual resource, the property must have already been identified as potentially eligible for listing by a qualified historic preservation professional.

Planning: To organize preservation information pertaining to identification, evaluation, registration, and treatment of historic properties in a logical sequence and set priorities for accomplishing those preservation activities. All projects must comply with applicable Secretary of the Interior’s Standards. Projects may include the following:

A local or county historic preservation plan: At a minimum, the plan should outline strategies for the identification, evaluation, nomination and treatment of historic resources within the area. Ideally it will be created as part of a community’s comprehensive plan.

Historic context statement: An historic context statement is a document used for interpreting history and historic resources. It groups together properties that share a common theme, geographic area and time period, and describes the significant broad patterns of history in an area that may be represented by historic properties. The development of context statements serves as the foundation for making decisions about identification, evaluation, nomination and treatment of historic properties.
The activity that is the subject of this program description has been financed with Federal funds from the National Park Service, Department of the Interior. The program receives Federal funds from the National Park Service. Regulations of the U.S. Department of the Interior strictly prohibit unlawful discrimination in departmental Federally Assisted Programs on the basis of race, color, national origin, age or handicap. Any
SURVEY AND PLANNING
CRITERIA FOR EVALUATION

Applicant must complete the application addressing the following:

1. **Relationship to the West Virginia Statewide Plan**
   - How closely does the project or activity correspond to the goals and objectives of the Statewide Plan?
   - Is the relationship clearly explained in the application?

2. **Local Preservation Programs**
